

RACE BASED STRESS AND TRAUMA: WHAT THE DSM-5 DOES NOT TELL YOU

Presenter: Marva M. Robinson, Psy.D.

**Friday, August 21st, 2020 ♦ 3:00 p.m. – 5:00 p.m.
Zoom Webinar**

More videos of unarmed black men and women dying in heinous ways have surfaced as a reminder of our longstanding history of oppression. Their deaths are serving as catalyst for having difficult conversations. Do you want to be a part of positive change, but are not sure where to start? In this two-hour presentation, participants will learn what Race Based Stress and Trauma is, and how it impacts the daily lives of African Americans. Being able to recognize the impact of this stressor on adults and children is imperative.

Level of Curriculum Content: Intermediate

Zoom at a Glance

Zoom is a web-based video conferencing tool with a local, desktop client and a mobile app that allows users to meet online, with or without video, whether you are connecting multiple conference rooms or meeting with attendees from their personal desktops or mobile devices. For more information or to download Zoom, please visit <https://zoom.us/>.

ABOUT THE PRESENTER

Marva Robinson, Psy.D. is a licensed clinical psychologist practicing in St. Louis, Missouri. She completed her master's and doctoral studies in clinical psychology at Nova Southeastern University, where she graduated with a specialization in forensics and a focus in child, adolescent and family psychology. Dr. Robinson works as a Primary Care Mental Health Integration (PCMHI) Psychologist at the North County CBOC, within the St. Louis VA. She started her private practice Preston & Associates Psychology Firm, LLC in 2014 to reach families where they were during the Ferguson protests. Through her private practice, she continues to offer workshops, clinical consultation, and lectures which focus on community trauma. She currently serves as the Midwestern Regional Representative for The Association of Black Psychologists. She also works with several local not-for-profit organizations addressing community trauma.

PROGRAM OBJECTIVES

Participants will be able to:

- Define race based stress and trauma
- Explain physiological responses to racism and discrimination
- List behavioral responses to race based stress and trauma
- Describe the connections of protest and civil unrest to race based stress and trauma
- List interventions to minimize the impact of race based stress and trauma
- Create safe spaces for children by use of the tool "What in the World Wednesdays"
- Create safe spaces for colleagues, and clients by learning techniques to elicit difficult conversations.
